History and Notes:	<p>Man calling, stating that for the past 10 years, his neighbors have been spraying Roundup onto his bedroom wall, stating that he lives in a home owner's association home. The caller states after the Roundup was sprayed, he couldn't breathe. Then someone sprayed Roundup down his chimney. The caller states someone sprayed a Roundup a few months ago in his car and inside the engine. The man states one time after the neighbors sprayed the Roundup, he went inside, brushed his teeth, and his tongue bled. Caller is asking how to neutralize Roundup, stating that this chronic exposure has been effecting him and his mother's health and the plants surrounding his house. Caller states he has put 500 pounds of lime on his land and is planning on putting vinegar in his car for the herbicide. Caller states he has contacted his local police department for this as well without any success. Caller states, he believes his neighbors are in the mafia and that the mafia is after him. MRPC discussed the product toxicity. The symptoms do not correlate with the expected response to the product. Advised to contact local poison center concerning exposure to other possible chemicals.</p>
